

2025 ANNUAL SEMINAR SPONSOR INFORMATION

(availability updated February 2, 2025)

Florida Advisory Committee on Arson Prevention (FACAP) is excited to announce a **new location** for FACAP's 2025 annual training seminar, now in its 47th year!

FACAP's 47th Annual Seminar will be held at the World Equestrian Center, 1750 NW 80th Avenue, Ocala, Florida 34482 on **March 5 through 7, 2025**. This two-and-a-half day seminar is attended by more than a hundred insurance managers, adjusters and investigators; insurance defense attorneys; fire service officers and investigators; law enforcement officers and prosecutors; and private investigators, for the purpose of combatting arson. The training provided is for both those new to the industry and experienced professionals already involved in the field of fire and arson investigations, insurance claims, engineering and fire forensics. The training provides both the public and private sectors with a unique and highly educational experience.

FACAP is a non-profit, public education and arson awareness organization. As a public service, FACAP provides substantially-reduced (and below cost) Annual Seminar registration fees for the fire service and law enforcement personnel. In addition, FACAP provides a scholarship program to provide training opportunities to fire service and law enforcement personnel who would not otherwise be able to attend the Annual Seminar due to budget constraints.

By moving away from the Florida State Fire College (which is undergoing renovations) is changing things up and seeking to increase attendance at the Annual Seminar. **FACAP needs your help in ensuring this year's Annual Seminar is a success.** Given the costs of hosting the Annual Seminar at the World Equestrian Center, we are seeking sponsors to assist in defraying the costs of our outreach for fire service and law enforcement personnel, including scholarships.

Below are the available sponsorships:
